****Assembling the amigurio:****

1. Sew the nose to the head, placing it in the center. The top of the nose should be in round 4, the bottom in round 14.
2. Sew the muzzle. The top of the muzzle should go over the nose, around round 13. The bottom in round 21. Lightly stuff the top with filler to smooth the junction of the nose and muzzle.
3. Sew the ears between the beginning of the head and round 6 of the head.
4. Eyes are placed between rounds 10 and 12.
5. Decorate the eyes with white yarn. Embroider eyebrows with black yarn and under the white yarn. Without cutting the yarn, make 3 stripes on top and 3 on the sides of the head.
6. Embroider the nose as a triangle and the mouth.
7. Sew the belly to the body - bottom in round 4, top in round 15.
8. Embroider stripes on the body, legs, arms, and tail.
9. Sew on the head.

Amigurio Tip: If using a wire frame, insert the wire during the crocheting process. For the legs and tail, insert somewhere in rounds 6-8. Twist the wire from the tail to the body frame, which is formed from the leg wires. Insert the wire into the arms after crocheting the arms into the body. Attach it to the body frame. Insert the end of the frame into the head before sewing the head to the body. You can also make it without a frame. In that case, adjust the stuffing: the legs and arms are tightly stuffed in the white part, the main part of the arms and legs are lightly stuffed. The
