Assembly

Sew the head, arms, and belly patch to the body. Insert the nose into the snout, or embroider it later. Sew the snout between rows 10 and 18 of the head. Insert the eyes, leaving 2 stitches between them and the snout. Sew the ears between rows 5 and 14 of the head. Sew the tail to the back. On the head, embroider a few stitches with black yarn, mimicking stripes. Embroider a stripe under the nose. Optionally, embroider fuzz on the belly patch and stripes on the paws. You can also embroider a stripe with white yarn next to the eyes.
