- * ****Sculpting:**** Mark point 1 (mouth) in the center between Rows 4 and 5 of the muzzle. Mark points 2 and 3 (eyes) 2 stitches from the center on each side, also between Rows 4 and 5. With eyes in place, insert needle at point 1 (leaving a long tail), bring it out at point 2, insert 3 stitches up, and bring it out at point 1. Pull tightly and knot. Repeat for the other side, inserting at point 1, bringing it out at point 3, inserting 3 rows up, bringing it out at point 1, and pulling symmetrically. Knot and hide ends.
- * Embroider muzzle with nose-colored thread.
- * Pin ears to head (7 stitches between eyes), glue on the nose. Sew everything in place.
- * Add stripes to the muzzle by embroidering, drawing, or tinting.

Amigurio suggests that yarn consumption and finished size may vary. You can adapt this pattern for other animals by changing the ears, muzzle, and yarn colors. You can also create a handbag by adding a strap.
